b. Application procedures and deadlines

Japanese universities submit their yearly student exchange plans to JASSO by January 8, 2009. According to the yearly plan, JASSO will allocate the quota of scholarships to each Japanese university. Within this quota, Japanese universities will recommend their exchange students to JASSO by each of the three deadlines. JASSO will make a final decision after a screening of all documents submitted by the Japanese universities.

Application deadlines for students will differ by each Japanese university, and the applicants must contact the Japanese university to confirm the application schedule and the necessary documents. The recommendation deadlines for Japanese universities are as follows:

- February 27, 2009: for the students starting their studies between April and July.
- May 22, 2009: for the students starting their studies between August and November.
- September 25, 2009: for the student starting their studies between December and March.

c. Time of arrival in Japan

Students must arrive at the Japanese host university within the period designated by the Japanese host university (from April 1, 2009 to March 15, 2010)
